

BiOWiSH™ Healing Cream

BiOWiSH™ Healing Cream combines the natural properties of the revolutionary BiOWiSH™ enzyme based technology to promote rapid healing for most common skin complaints.

The special formulation has proven to be highly effective and popular with an increasing number of people discovering the amazing properties of the cream.

BiOWiSH™ Healing Cream is the most versatile product of the BiOWiSH™ Cosmetic Range and is the perfect all in one natural healing topical remedy traditionally used to treat a variety of conditions such as:

- Scars
- Acne scars
- blackheads
- Cuts
- Wounds
- Scrapes
- Burns
- Age Spots
- Eczema
- Dry and cracked skin
- Fine lines & wrinkles
- Stretch marks

BiOWiSH™ Healing Cream destroys pathogens, heals and regenerates damaged tissues, reduces scars and removes damaged cells and imperfections. By nourishing the skin, it protects it from free radicals to increase density and moisture retention.

Using 'all natural' ingredients without any unnecessary additives that will aggravate the skin condition, BiOWiSH™ Healing Cream has a smooth texture which leaves the skin feeling soft and moisturized after application.

Benefits of Use

- Assists in healing a variety of skin ailments
- Highly effective and promotes rapid healing
- Formulated in an easy to absorb lotion
- Contains no harsh chemicals
- Environmentally friendly
- Joyful

What to Expect

The goal of BiOWiSH™ Healing Cream is to heal the skin and keep it healthy so as to prevent further damage.

When applied to the target area, BiOWiSH™ Healing Cream activates the skin's renewal process by 'locking' moisture in and preventing the skin from drying out and cracking. After a series of re-applications the results are advanced skin rejuvenation which is part of the healing process.

Skin improvement should be apparent after four weeks.
